Vision for the next...

POLY STUDIO X50

About Poly Studio X50

Make your video conferencing easier and more powerful. The Poly Studio X50 includes legendary audio and video performance in a simple all-in-one video bar. Offer true meeting equality with pinpoint-accurate automatic framing and tracking modes, distraction-free audio technology, and life-like 4K UltraHD video. There's no PC required, either: Cloud video apps are built right in, offering familiar controls, and supports the leading cloud video services. And with Poly Lens, deployment, management and analytics are a breeze for IT.

Benefits

Get any mid-sized meeting room up and running in minutes, with a simple setup process and all-in-one design

Catch even the smallest details with its 4K UltraHD 120-degree FOV camera

Surround everyone with the rich, legendary sound with stereo speakers that deliver immersive room-filling audio.

Enjoy a seamless native experience on all the leading cloud video apps — no PC or separate gateway required.

Ensure everyone is seen clearly with Poly DirectorAI's pinpoint-accurate automatic framing technologies.

Keep distracting noises and side conversations from interrupting your meetings with Poly NoiseBlockAI and Acoustic Fence technologies.
