POLYCOM STUDIO P15

About Poly Studio P15

The Poly Studio P15 personal video bar gives you everything you need to look and sound your best on video calls in one sleek device. Exceptional optics and a high performance 4K image sensor bring out your inner star, and automatic camera framing ensures you're always seen without staying glued to your chair. A powerful speaker and microphone array deliver rich clear audio, while NoiseBlockAI and Acoustic Fence technology keeps out distracting sounds. For IT, Poly Lens cloud management provides robust tools to manage and track devices from anywhere. Feel like you're there even when you can't be with Poly Studio P15

Benefits

Always look professional with exceptional camera optics that are optimized for video conferencing

Make sure you're heard clearly with a built-in directional microphone that focuses on your voice, not the noise around you

Enhance security and privacy, and ensure you are in control of when you are on camera with the integrated privacy shutter

Poly Lens cloud management gives IT powerful tools to manage and track devices from anywhere
